IMPORTANT Attendance to the Rochester Pysanky Egg-Sperience is dependent on each attendee being fully vaccinated with at least one booster shot prior to the event in order to insure the health and safety of all those attending. Furthermore, by signing below, each attendee acknowledges that a fully vaccinated person is not 100% immune to the COVID-19 virus and thus it is not guaranteed the event is virus-free and will not hold the venue, organizers, teachers or other attendees liable. While many may still be in the process of getting vaccinated, please understand that **a registration will not be complete until the vaccine proof plus a minimum of one booster is received.** Any registrations sent without proof of the official CDC Vaccination Record Card (or other government issued record card) will be denied and your payment returned.

COVID-19 Vaccination Record Card: Please include a photocopy of your CDC COVID-19 vaccination record card along with this completed registration form and fee or a photo copy attachment may be emailed separately to RocEggSperience@gmail.com.
